

InnerSanctum
luxury for the soul

Where is this place where nature dances with stars.

Believe souls are touched.
And stories written.
Where is this place?

A Prathima Venture

If living is all that matters then it is time you erase your past experiences. Or just keep them in a state of suspended animation. Once you have done this, let the longing of your soul take over. Desire and joys of privacy and pristine nature way have just found an unusual 'invitation.

Timely and heavenly, should we say when you have a living space that is bound by the stars and exacting standards of some of the world's finest architectural inputs.

You can walk, entertain, come to a new bastion of destination living. The choice of reaching your doorstep rests on smart discretion. You can fly into the helipad or cruise in your chosen four wheeler.

This is the abridged story of Inner Sanctum. 105 villas. Close to 25 acres. One unabashed compliment to your taste and position.
